

Taking Root for Clean Water!

- When:** **Thursday, September 26, 2013 5:30 p.m. - 8:00 p.m.**
(Guided hike starts at 5:30 followed by presentations from 6:30 – 8:00 p.m.)
- Where:** **The Watershed Stewardship Center at West Creek**
2277 West Ridgewood Drive, Parma, Ohio 44134
- Who:** **Free and open to the public!** This program is for everyone interested in our tree resources including tree commissions, landscapers, public officials, parks staff, community planners, economic development managers, and citizens.
- What:** Don't miss this informative program about trees, native plants, and their critical role in clean water and healthy watersheds.
- R.S.V.P.** **Reservations are required by Monday, September 23rd**
Please contact Jenn Elting, eltingj@neorsd.org, 216-214-0542, or Gail Prunty, gprunty@geaugaswcd.com, 440-834-1122 to make your reservations.

Join us at Cleveland Metroparks' brand new facility showcasing urban watershed stewardship techniques. Learn about the countless benefits of native plants and trees and how communities are incorporating trees into storm water management and nutrient reduction. We'll explore tree species on the reservation and see how this living laboratory demonstrates real-world solutions for storm water and pollution control.
